

Linköpings's youth ambassadors

David Burman and Lovisa Mercurio

2 permanent positions

Target group: age 13-25

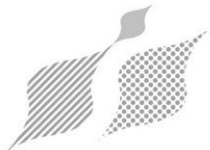

Make youth voices visible

Increase youth influence
and involvement in local
politics

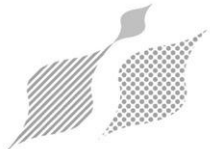

Link between youth and
politicians and the municipality

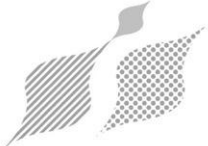

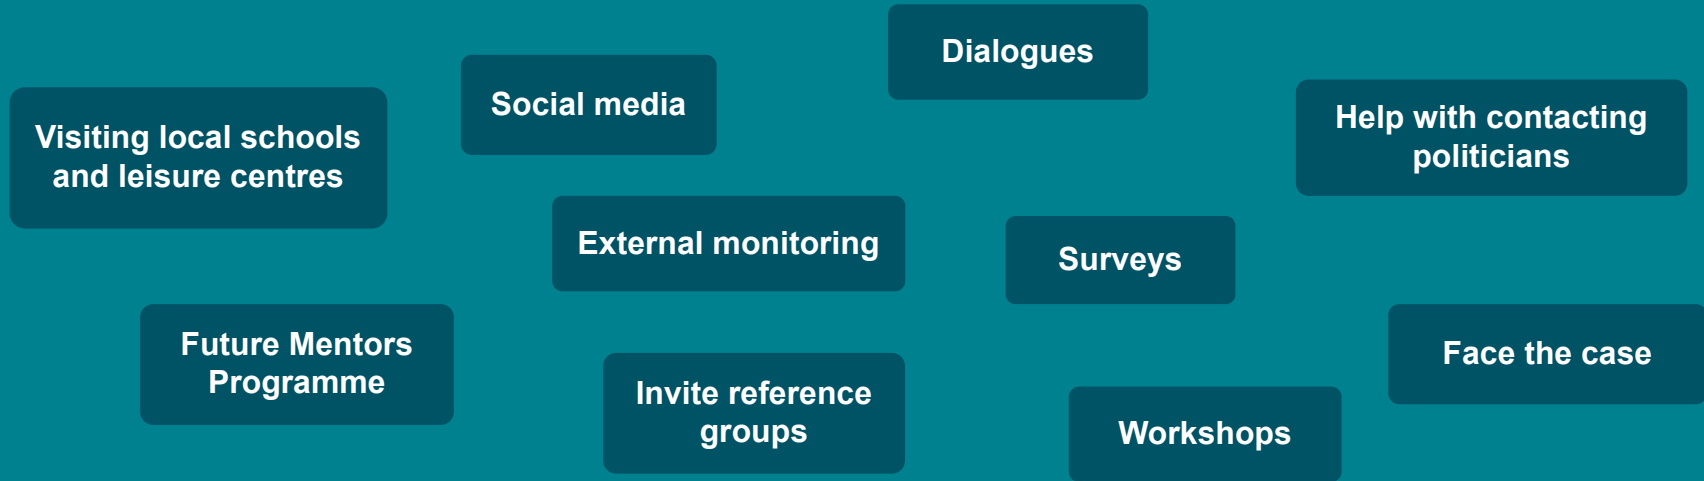

Why do we need a link between young people and decision-makers

- Easier to contact us with any issue or idea that might come up
- Decisions affect all citizens, including young people
- Hard to know how to make a change in local issues
- Connect young people and decision makers

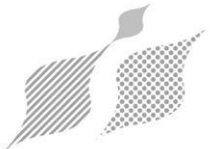

What are we doing?

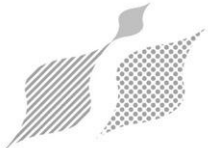

Dialogues

- Workshop/ dialogue
- Discuss challenges and identify solutions
- Keep power dynamics in mind

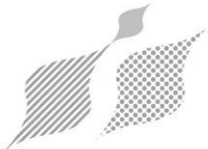

Future mentors programme

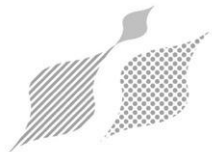

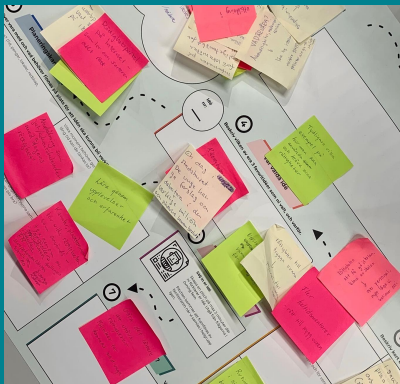

- A part of Eurocities conference in Espoo 2022
- 5 young mentors between ages 18-23
- Mentoring the Mayor of Linköping
- Visions for the future of the city

Face the case

- Case competition for high-school students
- Listen to youth experience and their perspectives on socioeconomic segregation
- Winning team get to develop their idea during the summer
- Bridge the gap between youth and decision makers
